

BRONCHOSCOPY INSTRUCTIONS

Aster
HOSPITAL

We'll Treat You Well

Digital Version

PRE-PROCEDURE INSTRUCTIONS:

- Take a bath or shower before you come in for your procedure. Do not apply lotions, perfumes, deodorants, or nail polish.
- Take off all jewelry and piercings. And take out contact lenses, if you wear them.
- Do not eat within 4 hours of your appointment time.
- Do not drink, including water, within 4 hours of your appointment time.
- Please provide an up-to-date list of all your medication, allergies and any medical conditions.
- Inform your doctor, if you are taking any blood thinning medication (such as warfarin, aspirin, clopidogrel or rivaroxaban, apixaban or similar) or if you are diabetic and follow the instructions accordingly.

POST-PROCEDURE INSTRUCTIONS:

- Not to eat or drink for another two hours. The gag reflex should return before he can resume oral consumption.
- Do not drive. Someone should drive the patient home if they've been given sedation.
- Anticipate a sore throat and take a throat lozenge.
- Call if a fever, shortness of breath or chest pain develops.
- Anticipate mild hemoptysis or blood in your sputum when you cough.
- You must NOT drive, drink alcohol or operate machinery for 24 hours, or sign legal documents for 48 hours following the procedure.
